**ANNUAL SPORTS PLAN**

We are pleased to announce the Annual Subscription Plan for the forth coming year. Importantly, we have been forced to slice away the golf annual subscription away from the rest due to the spiralling cost of operating the golf course.

The other subscription packages have a nominal revision factoring in the inflation. Labour cost and imported spares for equipment have significantly impacted our pricing. Yet, considering the quality of the facility, we believe that we are offering a value for money on this facility.

Do pay up your Annual Sports Plan early as helps us to operate the club efficiently.
